SF4.1

Safety 1st Checklist

This checklist is designed for **Off-Road Event**.

- If the event being organised engages any external contractors which are suppliers of goods or services (other than members of the organising club, or catering or fuel supplying persons/organisations where the use of such persons/organisations is a requirement by the venue management and the use of the venue is conditional on such services), it will be necessary to fill out the Contractors List. (Document No:Motorsport Australia SF2.1)
- On the day of the event please fill out the Contractor Checklist (Document No: SF2.2) for each contractor attending the Event.

For more information in regards to **individuals** and **organisations** and if they are considered contractors refer to Contractors List.

This Checklist is non-exhaustive and should be used as a guide only. Each Organiser has the responsibility to identify hazards and assess record, address and review them in accordance with the Motorsport Australia Risk Management Policy.
